

# SLD Parent Questionnaire - September 18

## Questions Asked

**Parent comments:**

**What do you particularly like about the provision your child receives?**

*'My child is treated and taught amazingly. They work with her needs and abilities. Fantastic school.'*

*'Everyone is happy and friendly and deals with any problem quickly and also the teaching is very good and has helped my daughter. I feel no improvement is needed, the school is brilliant.'*

*'The teaching is individual to each child and at their own pace. It would be great if more funding would allow a daily therapist although I understand the therapy is link into everything daily. I am very pleased with the school.'*

*Thank you for your comment. There is now support from the Speech and Language Therapy Service in the Department every day except Mondays. This year we are also hoping to arrange some workshops and coffee mornings for parents so that there will be more opportunity to meet and learn more about how we can all support the children better.*

*'The nurturing, individual child led approach and opportunities to communicate with all staff. The only improvement could be more inclusion in certain accessible subjects within mainstream.'*

*Thank you – yes it is important for the children to integrate into mainstream as much as is appropriate and a slightly more streamlined timetable this year optimises this possibility.*

*'The care and support as well as the progress and well-being of my grandson.'*

*'The staff, children and progress my child has made.'*

*'He has made so much progress.'*

*'My son has come on leaps and bounds at this school and I couldn't be happier! The only improvement could be some added work to take home through the holidays.'*

*Thank you – support at home makes such a difference! Do speak to the class teacher about the holidays - I'm sure we can provide some extra activities.*

*'The staff are so supportive and are always ready to help, always caring for the children. They do not need to improve as they provide support and will always listen.'*

*'The staff are very helpful and friendly.'*
