MUSIC

Charanga: Music and Me

This unit focuses on inspirational women working in music and explores the concept of 'identity' starting with gender, and social and cultural differences. We will try out different ways of making our own music, while exploring the work of some of the most influential women in music over the last 100 years. Four British female contemporary artists are featured

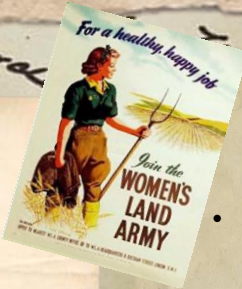

YEAR 6 TERM 5

Britain Wants You!

ART

Time Traveller
From Picasso to Magritte and the very modern twist of Sandra Silberzweig, a whistle stop tour of colour, patterns and distortion!

COMPUTING

Unit 6.6 – Binary

- Learning how whole numbers are used as the basis for representing all types of data in digital systems through binary.
- How to count in binary.
- Converting from decimal to binary.
- Make use of a variable set to 0 or 1 to control game states.

D.T

Structures: Playgrounds
Design a playground with a variety of structures.
• Build a range of structures.
Improve and add detail to structures.
• Create a surrounding landscape.

P.E

Badminton

Learn to perform and combine skills, at speed, with confidence and control, and apply skills that meet the needs of the situation e.g. shot selection, height, depth and speed, play competitively, using tactics to outwit opponents. Play cooperative and competitive rallies

Rounders and Sports Leadership

Choose and apply skills e.g. retrieving, intercepting, and bowling. Apply teamwork skills and basic principles for attacking and defending. Teach others a new skill or tactic.

R.E

Why is there suffering? (Part 2)

Consider how people's beliefs influence their response to suffering. Interpret the Buddhist concept of the Second Noble Truth using the story of Kisa Gotami.

Explore how the Four Noble Truths can help some Buddhists respond to suffering.

Recognise how the belief in Hukam can help some people in difficult times.
