Modern Foreign Languages and Spanish

At Wincheap, the main language children learn is Spanish and we have a specialist Spanish teacher who teaches weekly lessons in all year groups in key stage 2. Links to Geography and History topics are made where relevant and cultural awareness is taught throughout with focus lessons highlighted below in purple text. In Year 5, a specialist Mandarin teacher comes into school to teach basic Mandarin in weekly lessons. In Year 6, children learn some basic French during the summer term in readiness for secondary school.
